"Sites highlights the importance of treatment for post-traumatic stress disorder and sharing stories. Most importantly, he forces readers, those average civilians, to look at what war does to people and think about whether it's always worth it." (San Francisco Chronicle)

"The harrowing accounts detail the experiences of 11 US soldiers and Marines who have been ravaged by modern warfare and its psychological aftermath. What makes Kevin's reporting unique and essential is that it didn't stop on the battlefield—he followed his subjects home." (Vice)

"Brilliant! An unprecedented view into the heart, mind and soul of American Warriors from every generation. A must read for every American." (Sean Parnell, New York Times Bestselling Author of *Outlaw Platoon*)

A vivid set of portraits of modern combatants written in prose that moves with speed and heat." (Edward Tick, Ph. D., codirector of *Solider's heart* and author of *War and Soul*)

"Riveting and emotionally raw...These gripping stories...are evidence of a profound desire to heal." (Publishers Weekly)

"This is tough stuff, as many of the experiences recounted here are graphic, cruel, and bloody, but they offer an intimate look at the costs of war on a personal, elemental level." (Booklist)

"In sensitive, honest prose, the author emphasizes that this is a book about hope. An important book for warriors and the communities that send them to war." (Kirkus Reviews)

A gritty look at postwar distress, including veterans' personal accounts, by a journalist with his own intimate perspective on the subject. (Shelf Awareness (Bruce Jacobs of Watermark Books & Cafe, Wichita, KS)
