Editorial Review

About the Author

Matt Walker and his wife Zeneba Bowers are classical musicians who perform in a symphony orchestra and in ALIAS Chamber Ensemble, and can be found on many recordings, both classical and popular. Their schedules are extremely busy and their days are long; when they travel they are looking for ways to leave their stress-filled stage lives behind and slow down the pace. They like to explore out of the way, 'undiscovered' towns and sights; and they love to find great food and drink close to its source.

Walker and Bowers started **LittleRoadsEurope.com** in the fall of 2013 in order to share their growing body of experiences of off-the-beaten-path European travel.
