Cirque Du Freak #3: Tunnels of Blood: Book 3 in the Saga of Darren Shan

By Darren Shan

Darren, the vampire's assistant, gets a taste of the city when he leaves the Cirque Du Freak with Evra the snake-boy and Mr. Crepsley. When corpses are discovered--corpses drained of blood-- Darren and Evra are compelled to hunt down whatever foul creature is committing such horrendous acts. Meanwhile, beneath the streets, evil stalks Darren and Evra, and all clues point to Mr. Crepsley. Can they escape, or are they doomed to perish in the tunnels of blood?

Editorial Review

Amazon.com Review

Following his blood-curdling adventures in *A Living Nightmare* and *The Vampire's Assistant*, half-vampire Darren Shan is settling into his day-to-day life at Cirque Du Freak, the traveling freak show he has joined. But before he can get too cozy, his vampire master, Mr. Crepsley, whisks him off to the big city for a mysterious mission. Soon, Crepsley, Darren, and Evra the snake-boy are embroiled in a bloody battle of wits between the vampire community and a mad, "vampaneze," a creature from a separate, more murderous race of vampires. Along the way, Darren meets his first girlfriend, and winds up putting her life, as well as everyone else's, in grave danger.

The latest installment of Darren Shan's bestselling saga will surely satiate his legions of bloodthirsty fans. As fast-paced and thrilling as ever, his writing will encourage even reluctant readers to devour the series. Luckily for all, it looks as though we haven't seen the last of this appealing, well-meaning (if occasionally bumbling) half-vampire. (Ages 10 and older) --*Emilie Coulter*

From Publishers Weekly

A visit to the city leads Darren and Evra, the snake boy, to a startling discovery (blood drained corpses) and sends them on a mission to discover the foul creature responsible, in Darren Shan's *Tunnels of Blood*, the third installment in the *Saga of Darren Shan*, that began with *Cirque Du Freak*.

From School Library Journal

Grade 6-8-Shan will continue to draw "Goosebumps" (Scholastic) graduates with this third installment in the series. Here, he sends his eponymous teenaged protagonist, who is still not quite a full-blooded (so to speak) vampire, along with scaly snake-boy Evra and century-old Larten Crepsley on a mysterious mission. They are to kill, as it eventually turns out, a rogue "vampaneze," a member of a minority group that believes in killing its victims, draining their blood rather than just taking sips. In the process, young "Darren" meets vivacious human (probably, but stay tuned) Debbie Hemlock, and learns a little more about Mr. Crepsley's checkered background. The game's a little slow to develop, but after a gory meat-locker scene, much running about in sewer tunnels, and lines like "When I came to, I found myself face to face with a skull. Not any old skull, either-this still had flesh on it, and one of the eyeballs was floating in its socket," the vampaneze meets a suitably horrible end, described in stomach-churning detail. The story is compulsively readable, but it's not for the squeamish.
