Editorial Review

Review

Excellent addition to the Color Atlas of Dental Medicine series..the illustrations are bright and clear..illustrates specific clinical practices..highly recommended. --E-STREAM online reviews
A continuation of the wonderful Color Atlas of Dental Medicine Series...concise, straightforward, well-illustrated...an excellent reference for the general dentist that does endodontic treatment or wants to be able to handle a greater variety of cases, and for pre and post doctoral students...I really enjoyed reading this text.
