Editorial Review

About the Author

Lawrence Durrell was born in 1912 in India. He attended the Jesuit College at Darjeeling and St Edmund's School, Canterbury. His first literary work, *The Black Book*, appeared in Paris in 1938. His first collection of poems, *A Private Country*, was published in 1943, followed by the three Island books: *Prospero's Cell*, *Reflections on a Marine Venus*, about Rhodes, and *Bitter Lemons*, his account of life in Cyprus. Durrell's wartime sojourn in Egypt led to his masterpiece, *The Alexandria Quartet*, which he completed in southern France where he settled permanently in 1957. Between the *Quartet* and *The Avignon Quintet* he wrote the two-decker *Tunc and Nunquam*. His oeuvre includes plays, a book of criticism, translations, travel writing, and humorous stories about the diplomatic corps. *Caesar's Vast Ghost*, his reflections on the history and culture of Provence, including a late flowering of poems, appeared a few days before his death in Sommieres in 1990.

Users Review

From reader reviews:

Annette Morrison:

Now a day people who Living in the era everywhere everything reachable by interact with the internet and the resources within it can be true or not need people to be aware of each details they get.
