### **Diamond Heart: Book Five: Inexhaustible Mystery** By A. H. Almaas

From one perspective, we can see ourselves merely as human beings struggling in a crowded and chaotic world of suffering. This book opens our eyes to a different reality, one that turns our familiar world inside out. We need only explore—with curiosity and love—our true potential as human beings in order to discover infinite depth and creativity in our lives as we act and interact in the world. When time and space expand their meaning, we come to know ourselves as having infinite dimensions of being and qualities of spirit, and uncover new mysteries about ourselves, one another, and the reality we live in.

This is the last of the five-volume Diamond Heart series of transcribed and edited talks given by A. H. Almaas to inner-work groups in California and Colorado.
