Dragonwatch: A Fablehaven Adventure By Brandon Mull

In the long-awaited sequel to Fablehaven, the dragons who have been kept at the dragon sanctuaries no longer consider them safe havens, but prisons and they want their freedom. The dragons are no longer our allies....

In the hidden dragon sanctuary of Wyrmoost, Celebrant the Just, King of the Dragons, plots his revenge. He has long seen the sanctuaries as prisons, and he wants nothing more than to overthrow his captors and return the world to the Age of Dragons, when he and his kind ruled and reigned without borders. The time has come to break free and reclaim his power.

No one person is capable of stopping Celebrant and his dragon horde. It will take the ancient order of Dragonwatch to gather again if there is any chance of saving the world from destruction. In ancient times, Dragonwatch was a group of wizards, enchantresses, dragon slayers, and others who originally confined the majority of dragons into sanctuaries. But nearly all of the original Dragonwatch members are gone, and so the wizard Agad reaches out to Grandpa Sorenson for help.

As Kendra and Seth confront this new danger, they must draw upon all their skills, talents, and knowledge as only they have the ability to function together as a powerful dragon tamer. Together they must battle against forces with superior supernatural powers and breathtaking magical abilities.

How will the epic dragon showdown end? Will dragons overthrow humans and change the world as we know it?

Editorial Review

Review

"Fans of Mull's popular Fablehaven books will be delighted with this rousing opener to a new sequel series, which builds upon familiar characters and plot points from the original fantasy series...The excitement of the adventure will sweep up existing fans and undoubtedly create new ones." --**Booklist**

"The dragons who were confined to sanctuaries in the celebrated "Fablehaven" series are now restless, and the safe havens feel more like prisons. Celebrant, the King of the Dragons, has pledged to free them and bring back the Age of Dragons. His attacks have caused Wyrmoost's defenses to weaken, as have all other hidden sanctuaries that protect the world from danger. The last remaining members of Dragonwatch call upon 13-year-old Seth and 15-year-old Kendra to guard the sanctuary of Wyrmoost, as it is believed that human caretakers can help strengthen the sanctuary's defenses. The teens face great opposition from their former allies, the dragons, and also from their subjects in Wyrmoost, who are skeptical that two youngsters can succeed where all others have failed, even though they are known to be dragon slayers. Calm, logical Kendra and reckless, wisecracking Seth must work and stay together to find a way to hold the dragons in check. Seth and Kendra have many exciting and dangerous confrontations with fantastic beasts, but they are resourceful and brave, and there is never a doubt that the heroes will triumph. Sure to please loyal Fablehaven readers." --**School Library Journal**

"*Dragonwatch* is the first follow-up volume to Brandon Mull's best-selling Fablehaven series. Siblings Kendra and Seth Sorenson live with their grandparents on a farm in Connecticut, but theirs is no ordinary pastoral life. Ever since they first drank milk from Viola the magic cow, Kendra and Seth have been able to see the fairy world. Their days are filled with enchanted swords, naiads, and unicorns; they see satyrs and ogres where their mortal cousins see only goats and bears. And that's not to mention the restless dragons being guarded at Wyrmoost, and the vengeful demons roundly defeated at Zzyzk, the battle where Kendra killed the demon king...Mull sets up an intriguing contrast between the humdrum real world and the exhilarating fairy world Kendra and Seth experience. That mixture of the familiar and the unknown will intrigue young readers with a fondness for Tolkien's Middle-earth. The dialogue and descriptive prose shine too: "The stars were fading. A light wind ruffled the sequoias." With dragons on the loose and key characters missing, there's plenty of scope for sequels." --**Foreword Reviews**

"Brandon Mull has returned to the Fablehaven world with all the magic, suspense, humor, and wonder of the first series. His fans are in for a huge treat. A fantastic read that will feel like coming home for fans of Fablehaven. --**James Dashner**, bestselling author of *The Maze Runner* series

"After narrowly averting a demon apocalypse in the previous series, Fablehaven sibs Seth and Kendra face a new threat to the world. The dragons are now hot to break out of their own long confinement, and a hidden talisman is all that can restore the mysteriously weakened magic barriers that have kept them in check...With help from Calvin, a gigantic (i.e., thumb-sized) nipsie, and other motley allies, the young heroes survive hazards ranging from slaving dire bears to the clinically depressed Somber Knight to find the talisman and sneak it past a draconic blockade...only to learn that dragonkind is in general revolt and other sanctuaries have already fallen. Fans of the series will welcome a new story arc stocked with familiar characters, settings, and adventures." --**Kirkus**
