### Jack: Red, Hot, & Blue, Book 2 By Cat Johnson

*The best way to heal a broken heart is to jump right back on the horse. So to speak...* After watching the girl he's crushed on for years fall for his best friend, the last thing special operative Jack Gordon wants is a vacation. If cooling his heels doesn't drive him crazy, doing it under his family's scrutiny will. But once he's back home things get more than a little interesting. The new farm hand is cute, sexy--and his instincts tell him she's got something to hide. Luckily, he's got the skills and the backup to find out what.

Gordon Equine is the perfect place for Niccolina Campolini. The Gordons pay in room, board and cash. And they don't ask questions. Perfect for a girl on the run...until Jack shows up. Sexy as hell and far too inquisitive, Jack strikes sparks and suspicions that put both her body and her heart in danger.

Jack knows better than to trust a woman with as many shadows as Nicki, but the heat waves of their attraction are messing with his focus. And when her secrets catch up with her, he's not sure if he's protecting her from something, or protecting his family from her...

*Warning:* This book contains extremely stupid gangsters bearing guns, a bored team of special operatives looking for some action, and one Southern gentleman guaranteed to charm your panties off.

##### **Frank Monroe:**

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to

suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Jack: Red, Hot, & Blue, Book 2 can make you experience more interested to read.
