Editorial Review

Review

This book provides an in-depth look into the various forms of agile methods. It is an excellent guide on how to select and use the best agile method for a particular project and, just as important, explains when agile methods are not the best alternative. --**Andrew Willard**, Retired Vice President, Information Technology, Alternative Asset Management Company

A fascinating read. The author is on point and thorough. This book belongs on the reference shelf of every aspiring business leader. --**Dr. Ken Ports**, Director of Strategic Operations, Quantum Technology Sciences, Inc.

A methodical, well-thought-out depiction of how agile has evolved from the original classic waterfall practices. Goodpasture combines his broad depth of project management knowledge and sound insight to detail the agile methodologies of today. --**Cathy Cortright**, PMP, IT Project Management Consultant
