Robert's Rules of Order Newly Revised By Henry M. Robert III, Daniel H. Honemann, Thomas J. Balch

Robert's Rules of Order is the book on parliamentary procedure for parliamentarians and anyone involved in an organization, association, club, or group and the authoritative guide to smooth, orderly, and fairly conducted meetings and assemblies. This newly revised edition is the only book on parliamentary procedure to have been updated since 1876 under the continuing program of review established by General Henry M. Robert himself, in cooperation with the official publisher of *Robert's Rules*. The eleventh edition has been thoroughly revised to address common inquiries and incorporate new rules, interpretations, and procedures made necessary by the evolution of parliamentary procedure, including new material relating to electronic communication and “electronic meetings.”

Editorial Review

Review

A powerful brand name and an American classic. --New York Times Book Review

About the Author

Sarah Corbin Robert was the daughter-in-law of the original author and the trustee of *Robert's Rules of Order, Revised*. She headed the authorship team that produced the most extensive general revision of the work. **Henry M. Robert III** is the grandson of General Henry M. Robert and has served as president of the Maryland Association of Parliamentarians and as parliamentarian for the National Association of Parliamentarians (NAP). **William J. Evans**, a retired attorney, was president of NAP from 1979 to 1981 and has also served as its parliamentarian. **Daniel H. Honemann** is an attorney in Maryland and a past president of the Maryland Association of Parliamentarians. **Thomas J. Balch** is a lobbyist and legislative analyst based in Washington, DC, who also served as parliamentarian for NAP.

This is indeed an almost verbatim recording of the reference book that virtually all deliberative bodies use to maintain order at meetings. The dry and technical writing is what you'd expect from such a manual and, all in all, it's very understandable, especially as narrated by the enthusiastic and fresh sounding Meza. But it will be difficult to use as a reference audio--how can you access the section you need without a written table of contents? Aspiring Robert's Rules experts would be aided by such a menu, and perhaps by an introduction or rationale for each type of rule, in addition to the rules themselves. Users Review

From reader reviews:

Antonio Haynie:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each book has different aim or maybe goal; it means that e-book has different type. Some people experience enjoy to spend their the perfect time to read a book. These are reading whatever they get because their hobby is definitely reading a book. How about the person who don't like reading a book? Sometime, person feel need book whenever they found difficult problem or even exercise. Well, probably you will want this Robert's Rules of Order Newly Revised.

Norman Duque:

Information is provisions for anyone to get better life, information presently can get by anyone in everywhere. The information can be a understanding or any news even restricted. What people must be consider any time those information which is within the former life are difficult to be find than now is taking

seriously which one is appropriate to believe or which one typically the resource are convinced. If you receive the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen in you if you take Robert's Rules of Order Newly Revised as the daily resource information.

Blanche Dobos:

Spent a free the perfect time to be fun activity to try and do! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, planning to beach, or picnic inside park. They actually doing same task every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? May be reading a book might be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to consider look for book, may be the publication untitled Robert's Rules of Order Newly Revised can be excellent book to read. May be it may be best activity to you.

Todd Porter:

Your reading 6th sense will not betray anyone, why because this Robert's Rules of Order Newly Revised book written by well-known writer who really knows well how to make book which can be understand by anyone who have read the book. Written inside good manner for you, dripping every ideas and producing skill only for eliminate your own personal hunger then you still skepticism Robert's Rules of Order Newly Revised as good book not merely by the cover but also from the content. This is one reserve that can break don't determine book by its deal with, so do you still needing a different sixth sense to pick this specific!?! Oh come on your examining sixth sense already said so why you have to listening to another sixth sense.
